CASE# 2018-00048879

**CASE REPORT****NARRATIVE****18-48879****J. Klein #618****Escape****31 Dec 2018****Narrative**

On 31 December 2018 at about 1527 hours I responded to Fairfax Hospital, located at 10200 NE 132<sup>nd</sup> St. Kirkland WA 98034, after it was reported that a patient had just escaped. Prior to arriving it was reported that the patient, [REDACTED] ([REDACTED]), was there on a court ordered mandatory hold and had climbed a wire fence in order to escape.

I arrived and spoke with [REDACTED] ([REDACTED]) who was the charge nurse at the time of the escape. I also spoke with [REDACTED] ([REDACTED]) who was the nurse who was outside with [REDACTED] when he escaped. [REDACTED] showed me the mandatory court order that shows [REDACTED] was there involuntarily. The paperwork also showed that the court would input a warrant for escape, however due to the holiday it would not be entered in the system until Wednesday.

She explained that he had originally come in from the Lakewood area after he tried to jump out of a moving vehicle. Since [REDACTED] had been at the hospital they reported that he had not expressed any suicidal ideations and they did not believe him to be a danger to himself. They did report that he was delusional and paranoid that the "Russians" and "Police" were out for him. Based upon his mental state they believed that [REDACTED] might try and assault someone if they tried to bring him back to the facility. I obtained a photo of [REDACTED] and had disseminated it to the squad.

An area check for [REDACTED] was conducted but he was not located immediately following the incident.

They reported [REDACTED] was last seen wearing a gray sweatshirt, blue jeans, red shoes with zip-ties for shoelaces. [REDACTED] has brown hair and an untrimmed scruffy looking beard. Since the warrant was not going to be entered into WACIC/NCIC I had [REDACTED] complete the KPD missing person form with all of his information. NORCOM operator T133 entered [REDACTED] into WACIC/NCIC as missing with a note that he needed to be returned to Fairfax Hospital. I checked to make sure that he was entered.

I submitted the missing form as well as the court paperwork into the case file. I complete a KPD bulletin with [REDACTED]'s information and placed it in the briefing room.
